

# SEPTEMBER 7<sup>TH</sup> INNOVATIVE INSTRUCTION SHOWCASE

The Innovative Instruction Showcase is intended for all who teach – teachers in public and private schools, and community educators. It is an opportunity for educators to view and learn about the new items purchased for the Innovation Lending Library of the BLaST IU 17 as well as resources being used in the region's K-12 schools by STEM faculty of Mansfield University.

The day's schedule is as follows:

**10-10:30** Registration/Welcome, you will receive a "passport" and receive stickers by visiting the new library items and faculty Tool Kits, the completed passport will earn you "extra" tickets for the STEM giveaways

**10:30-12:00** Rotation/Self-Exploration, Networking

**Noon** Guest Speaker, Cookout

**1:00** Logistics of Tool Kits, Sign-Out Procedure

**1:30** STEM Giveaways

**2:00** Wrap-Up

Pre-Registration is strongly encouraged at <https://www.iu17.org/curriculum/innovation-lending-library/> and will earn you "extra" tickets for the STEM Giveaway.
